Inner Flap [] Twenty years have passed since Darth Bane, reigning Lord Dark Lord, demolished the old order dedicated to the dark side and reinvented it as a circle of two: a master to wield power and pass wisdom, and an apprentice to learn, challenge, and ultimately usurp the Dark Lord in a duel to death. She knows that her implacable master has come to doubt her, and she feels that he is hiding something crucial for her future. She tries to warn the singer that after the bane will bring her to her destination.
